

A Global perspective on the...

Latest trends in Coaching

A morning workshop on new developments in Executive Coaching in the USA & RSA

Dr's Ronelle Langley & Gustav Gous will share their wealth of experience in the field (33 years of coaching between them). Ronelle will share latest trends working with executives of Fortune 500 Companies. Gustav will share latest trends in the use of Diamond Profiling® - the meta-tool to synergize all coaching information.

Who can attend:

- Coaches • Academics • HR practitioners • Researchers & students •
- Executives on various levels • Psychologists • Counsellors • ...

Dr Ronelle Langley:

Dr. Ronelle Langley, former Psychology professor from the University of Pretoria, is the President of Executive Coaching International. Living and working in the USA (Iowa) for the past 13 years, she is a strategic partner for executives from a number of Fortune 500 and global companies.

After starting their coaching careers together in the early 90's with a project for Sasol, they are joining forces once again to share with you their wealth of experience from two continents.

Pres. Obama & Ronelle

Dr Gustav Gous:

Life Coach for Leaders. Known for his Diamond Profiling® and Life Planning & Mapping® executive coaching techniques

"Dr Gous' coaching programme belongs in the top 2% of available coaching programmes in the world"
